## **RULES AND REGULATIONS**

Clarification of Rules and Regulations passed by the BLMA Board of Directors on May 17, 2023.

Section 5 – Parking

Article 8.2

Private Passenger automobiles and Marked Municipal, County, or State Police, Wildlife and Fisheries, and Fire Dept. vehicles. This includes privately owned pickup trucks so long as they have no modified lift kits, no modified exhausts, no dually tires, no visible construction tools/material, or writing that would suggest it is not used as a private passenger vehicle. All vehicles kept in driveways must be in working order and must be kept clean.
